## ADMISSIONS REQUIREMENTS

The admission policies of the School of Professional and Career Education (PACE) are designed to meet the needs of adult students. Most undergraduate applicants who have a high school diploma from a regionally accredited school or equivalent (GED) can be provisionally admitted and register for up to 12 undergraduate courses while completing the application process. It is the student's responsibility to ensure that all admission credentials are received in a timely manner including official transcripts from regionally accredited institutions. For more information on admission requirements refer to the current PACE Student Bulletin.

### CRITERIA FOR FULL ACCEPTANCE

- Interview with an academic advisor;
- Submit a completed application form or apply online for admission at [www.barry.edu/apply](http://www.barry.edu/apply)
- Request an official transcript from each college attended. If applicable, request an official transcript from CLEP and/or DANTES;
- If no college credit or fewer than 12 credits have been earned, request an official high school transcript from a regionally accredited high school or official GED transcript;
- Applicants holding an associate degree or its equivalent must present a minimum of 3 years full-time professional work and/or community service experience past high school;
- Applicants not holding an associate degree or its equivalent must present a minimum of 5 years of full-time professional work and/or community service experience past high school.

### CRITERIA FOR PROVISIONAL ACCEPTANCE

Provisional acceptance is extended to those whose transcripts reflect less than a 2.00 cumulative grade point average at the time of application. A student enrolling under this option is limited to twelve credits in which a minimum cumulative grade point average of 2.00 must be achieved at Barry University. Upon successful completion of 12 credits with a cumulative grade point average of at least 2.00 at Barry, full acceptance will be granted.

### CONTINUOUS ENROLLMENT/READMISSION

A student who does not enroll for more than two years will be classified as inactive and will be required to apply for readmission by submitting a new application and paying a new application fee. In such cases, the Student Bulletin and University Policies in effect at the time of readmission will apply

In order to be eligible for the maximum financial aid award, students must be full-time - i.e., 12 credits - during the entire semester and have filed financial aid paperwork prior to the beginning of each semester. **Failure to maintain full-time enrollment status (12 credits) during the full duration of the semester (A and B) may result in the loss of financial aid. In all cases, the student is responsible for full payment of tuition and fees incurred at the time of registration.**

**GRADUATE STUDENTS** must register at least half time (a minimum of 4 credits) each semester to receive financial aid. In order to receive the maximum amount in federal student loans, students must be registered full-time - i.e., 9 credits - during the entire semester and have filed financial aid paperwork. **Failure to maintain full-time enrollment status (9 credits) during the full duration of the semester (A and B) may result in the loss of financial aid. #### **SEMESTER PAYMENT**

- Any balance due from a prior semester must be paid in full before a student may register.
- Payments can be made by check, money order, or credit card payable to BARRY UNIVERSITY. Credit cards that are accepted include American Express, Discover, MasterCard, and Visa.

#### **CORPORATE REIMBURSEMENT DEFERRED PAYMENT PLAN POLICY**

In order to defer the payment of your tuition to the end of the semester you must submit to Cashier/Business Office, within the first two weeks of the semester/session, an official letter from your employer on company letterhead. This document is required each semester and must state your eligibility for reimbursement and the conditions under which your company will pay your tuition and fees. The letter must include your company's policy regarding the percentage of your semester's costs they are willing to pay, the grade required for reimbursement, as well as the calendar period it covers. Additionally, you must complete a deferred payment plan form with the Cashier/ Business Office (CBO). Be aware that whenever payment of your tuition is not made in full at the time of registration, but deferred to a future date, there is a mandatory deferment fee of \$150.00. Also, please be aware that this fee is non-refundable. Please call CBO at 305-899-3585 for further information regarding corporate payment plans

#### **TUITION REIMBURSEMENT BY VETERANS ADMINISTRATION**

It is the student's obligation to pay the University first and then seek reimbursement from the Veterans Administration. To avoid overpayments and/or interruption of benefits, it is absolutely necessary that the student notify the Financial Aid Office and the Registrar's Office of any changes in status.

#### **TUITION ASSISTANCE FOR SERVICE PERSONNEL**

The balance from the student must be paid at the time of registration.

#### **PELL GRANTS**

<b>Through the first week of the session</b>	<b>80%</b>
<b>After the first week of classes</b>	<b>No Credit</b>

**Special course fees are not refundable. A student dismissed for academic or disciplinary reasons, at any time, shall not be entitled to any claim or credit.**

#### **DELINQUENT ACCOUNTS**

If a student's account should become delinquent, the account may be referred to a collection agency or to an attorney, or both. In such an event, the student shall be liable for the balance due plus any fees of the collection agency, attorney fees, court costs and all other charges associated with the collection of the debt together with interest at the maximum allowed by law. **No student may receive a diploma or transcript of credits until all financial obligations to the University are settled.**

### WITHDRAWALS

Students who wish to change their registration status after the first week of class must complete a Withdrawal Form or notify, in writing, their academic advisor/director. Students are also expected to contact the faculty member teaching the course from which they intend to withdraw. There is no refund after withdrawing from a course. An unauthorized withdrawal will result in a final grade of "F". Students must withdraw before the final four (4) weeks of class. The effective date of the withdrawal will be the date of formal notification to the School of Adult and Continuing Education.

### REFUND REQUESTS AND CREDIT BALANCES

All students whose financial aid awards exceed their tuition and fee charges, generating a credit balance in their accounts, will receive a check or direct deposit for the excess funds after the drop/add period. Students may sign up for direct deposit through WebAdvisor at <http://webadvisor.barry.edu>.

If any of the credit balance is the result of federal or state financial aid grants (Federal Pell Grant, Florida Resident Access Grant or Florida

Student Assistance Grant) please note:

- Any refund of these grants to the student cannot be processed until after all applicable add/drop periods have ended.
- Students who are enrolled in both sessions, Session A and Session B, may have access to their credit balances only after the end of the add/drop period of Session B.
- If, after the add/drop period of Session B, the student is still registered as a full-time student (12 credits or more) and continues to meet all other eligibility requirements, a refund will be generated.

Students may use their refund for off-campus living expenses, indirect expenses, or any other education expenses for the term including Portfolio submission, CLEP credits, and licensure credits upon signing the Federal Student Aid Authorization, which can be found in WebAdvisor under "Financial Information". **Once the excess funds are awarded it is the student's responsibility to retain the funds needed to pay for additional tuition and fees.** Students who have received student loans, have a credit balance, and do not need the excess funds for educational related expenses should consider returning some of the credit balance to the lender to reduce their debt.

### GRADUATING STUDENTS

Graduating students with outstanding financial obligations of \$1,000 or greater will not receive a cap and gown and will not be permitted to participate in the commencement ceremony.

## GENERAL INFORMATION

### ACADEMIC ADVISORS

The School of Adult Professional and Career Education provides each student with an academic advisor who assists the student in attaining educational goals and in fulfilling Barry University requirements. Academic advisors aid students in: defining educational goals, selecting a program of study, applying to the University, selecting appropriate coursework, interpreting institutional requirements, assisting with the portfolio process, referring students to appropriate institutional services and resources and provide continuous evaluating of student's progress. Academic Advisors are available in all locations. The School of Professional and Career Education endeavors to achieve quality academic advisement for each student. It also incorporates student participation and responsibility in this endeavor. **While Barry University provides academic advising, the responsibility for planning individual programs rests with the students. Students are expected to become familiar with the requirements of the University, the School of Professional and Career Education, and their major disciplines.**

### ACADEMIC DISHONESTY

Students are responsible for knowing the policies regarding cheating and plagiarism and the penalties for such behavior. Failure of an individual faculty member to remind the student as to what constitutes cheating and plagiarism does not relieve the student of this responsibility. Students must take care not to provide opportunities for others to cheat. Students must inform the faculty member if cheating or plagiarism is taking place. Information can be found in the PACE Student Bulletin and Barry University's Student Handbook.

### BARRY E-MAIL SYSTEM

Barry e-mail is an official method of communication at the University. The University may send communication to students via Barry e-mail. Students are responsible for the consequences of not reading, in a timely fashion, University related communications sent to their official Barry University Student e-mail account. Students are expected to check their Barry University official e-mail on a frequent and consistent basis in order to remain informed of University related communications. E-Mail can be accessed by visiting <http://webmail.barry.edu>.

### CLASS LOADS

Students may register for two classes per session (6 credits) for a total of four classes (12 credits) in the fall/spring semesters. Students requesting an overload of a third class per term must have a cumulative GPA of 3.0 or better and successfully completed: ENG 302

Academic Writing and Research; college level Math, and the computer proficiency. Students are required to submit a written request to their academic advisor to submit to the Associate Dean of Academic and Student Affairs who will render a decision on the request.

### CLASS ATTENDANCE POLICY

Students are expected to attend classes. The usual length of a course is 32 hours. At the beginning of a session, all faculty will define specific requirements for attendance in their classes as these requirements relate to the course grade. Every class meeting is important, but none more so than the first. There is a limited amount of time during the accelerated session to appropriately cover the subject matter. Faculty begin in earnest at the very first meeting. Special hints about how to proceed, statements about the biases of the discipline, clues about prioritizing your efforts, insights into the syllabus, grading policies, strategies for earning the grade you want, and much more, are addressed in the first meeting. These are things that cannot be summarized, will not be reliably conveyed in someone else's notes, and may not be revealed at another time in the course.

### DISTANCE LEARNING OPTIONS

Barry University is committed to the principles and best practices of adult education. Therefore, we provide opportunities for students to engage in coursework on a variety of schedules and delivery methods. Distance learning can be a great alternative to students for whom it is difficult to attend classes on campus. Distance learning is also a great opportunity for those people who enjoy working independently. However, online classes are not "easier" than traditional classes. Online courses are reading- and writing- and technology-intensive. They require excellent organization and time management skills. Students should work with their advisors to determine if the special requirements of online learning suit their learning style and schedule.

### LATE REGISTRATION AND SCHEDULE ADJUSTMENT PERIOD (ADD/DROP)

After registration, any changes in schedule (adding/dropping, or changing a section of a class) must be authorized by the student's academic advisor/director. A Registration Adjustment Form must be filled out and signed by the student and their advisor. The Late Registration and Schedule Adjustment Period dates are published in the "Academic Calendar".

### WITHDRAWALS

Withdrawal from a single course: Students who withdraw from a single course in a term but are still registered in an additional course(s) must complete the Course Withdrawal Form.

Students who withdraw from all courses in a single term must complete the Student Withdrawal Form. Use this form when:

- Withdrawing from all coursework for summer term, one session or both sessions of a semester even if registered for the following session or semester
- Suspended
- Not likely to return to Barry University
- Uncertain about plans to enroll in the future
- Withdrawing from the University, who is not registered for future terms.

These forms can be attained from the academic advisors. Students should closely review the forms and follow instructions outlined. It is the student's responsibility to adhere to withdrawal deadlines and procedures and also notify their instructor(s) of their withdrawal.

There is no refund after withdrawing from a course. An unauthorized withdrawal will result in a final grade of "F". Students must withdraw before the deadline published in the Semester Schedule. The effective date of the withdrawal will be the date of formal notification to the advisor in the School of Professional and Career Education.

### CANCELLED CLASSES

Occasionally low enrollment necessitates cancellation of scheduled course offerings. Students will be notified promptly of course cancellations. Barry University assumes no responsibility to students for canceled classes.

### REPEAT COURSE

No Barry University course may be attempted more than three times. ENG 102, ENG 202, and ENG 302 may only be attempted twice. Withdrawals are counted as attempts. With prior written authorization from an academic advisor, a student may repeat a course to improve the cumulative grade point average. **If a student has an F, repeats the course, and receives an A, only the A counts in the cumulative grade point average.** Quality points and credits attempted for the second attempt are counted in lieu of those earned for the initial attempt. Though both attempts remain part of the student's permanent record, the cumulative grade point average **will reflect only the grade earned on the second attempt. Courses transferred from other institutions are not considered for a repeat.**

### AUDIT

Students wishing to audit a course must meet admission requirements. Regular tuition charges apply to audited coursework.

### GRADE REPORTS

Students may view final grades online via their WebAdvisor account at the end of each term. Any error in grading, the omission of a course, etc. should be reported to the Office of the Registrar within two weeks following the end of the term. For employment, corporate reimbursement or other needs, a comprehensive registration statement may be requested from the Cashier/Business Office. This statement includes billing information and final grades once they have been posted.

**INCOMPLETE GRADES**

On occasion, because of an emergency, a student cannot complete the course during the regular session. An incomplete grade may be given only to a student who has been attending classes on a regular basis and submitting assignments and tests promptly. The request to complete required coursework must be made by the student and agreed to by the faculty member. The Request/Contract for Incomplete Grade form must be submitted. An incomplete grade must be made up within the session following its receipt. See the printed schedule for posted dates. It is the student's responsibility to arrange with the instructor for satisfactory completion of course requirements. An incomplete grade must be redeemed by the date published in the academic calendar or the student will be automatically awarded a final grade of "F". The "I" grade and the redeemed letter grade both remain a part of the official transcript. Incomplete grades assigned in the semester of graduation may result in postponement of graduation. Upon completion of the course, the student must reapply for the next graduation.

**TRANSFER CREDITS**

Refer to the PACE Bulletin for Transfer Credit Policies.

**RESIDENCY REQUIREMENTS**

The last thirty (30) credits and the majority of the major coursework must be completed at Barry University.

**REQUEST TO REGISTER AT ANOTHER INSTITUTION**

A Barry student is expected to fulfill all coursework at Barry University; therefore, permission to take courses elsewhere is granted only in exceptional cases for very extenuating circumstances, which preclude the opportunity to enroll in these courses at Barry in subsequent terms. Barry University students who wish to take courses at another institution for the purpose of transferring the credits back to Barry must obtain prior written approval from the Assistant Dean of Student Affairs in the School of Professional and Career Education. Students who have attained junior status (60 credit hours) may not transfer credits from a community college or junior college. Once a student is enrolled at Barry University's School of Professional and Career Education, no more than 6 credit hours may be transferred toward a Barry degree. Only credits are transferred, not grades or grade point averages. A grade of C or better is required in order for the coursework to be approved for transfer. It is the student's responsibility to assure the official transcript is sent to the Office of Admissions at Barry University following completion of the course(s).

**CHANGE OF NAME/ADDRESS/PHONE**

It is the student's responsibility to promptly notify the Office of the Registrar and his/her academic advisor of a legal name change, an address change, and/or a telephone number change. Photo ID is required for in-person requests. E-mailed requests should be sent from the student's Barry e-mail account to [registrar@mail.barry.edu](mailto:registrar@mail.barry.edu). Notification of a name change must be accompanied by a photocopy of appropriate legal documents. Acceptable legal documentation are a marriage license, divorce decree, or court order. No other documentation is acceptable. It is recommended that a student notify his/her instructors of the changes.

**CHANGE OF ACADEMIC PROGRAM (MAJOR/MINOR/SPECIALIZATION)**

When a student changes a major, minor, or specialization, he/she is bound by the requirements published in the course catalog for the academic year in which the changes are made. The University will automatically update the catalog year when processing the Undergraduate Change of Major/Minor/Specialization Form or the Graduate Change of School or Program Form

**UNDERGRADUATE GOOD STANDING/PROBATION/SUSPENSION**

1. A student is in good academic standing if the cumulative grade point average (GPA) is 2.0 or above.
2. A student is on Academic Probation if the cumulative grade point average falls below 2.0. A student on academic probation may not register for more than three (3) credits per session and is ineligible to register for a tutorial or independent study.
3. A student on probation who is unable to earn a cumulative grade point average of 2.0 after having subsequently attempted twelve (12) non-portfolio credit hours will be suspended from the School of Professional and Career Education. The Veterans Administration will be notified of the suspension of any such students receiving Veterans Educational Assistance and the student's VA benefits will be terminated.
4. The Associate Dean of Student Affairs may grant exception to the Standards of Academic Progress in circumstances where the Assistant Dean determines that causes for unsatisfactory progress have been removed. In such a case, the Assistant Dean will establish a time frame to bring the student into compliance and notify the student in writing. During this period, students will not be eligible for Veterans Educational Benefits, but may be eligible for other forms of financial assistance. Failure to meet the objectives for satisfactory progress within this time frame will result in suspension.
5. Students suspended for failure to achieve satisfactory progress may petition for readmission to the Assistant Dean of Student Affairs of the School of Career and Professional Education after a period of no less than two years. Students accepted for readmission will be subject to the requirements of the Student Bulletin in effect at the time of such readmission.

**GRADUATE GOOD STANDING/PROBATION/DISMISSAL**

1. A graduate student is in Good Academic Standing if his/her cumulative grade point average (GPA) is 3.00 or above.
2. Students with a semester or cumulative GPA below 3.00 will be placed on academic probation. Also, students who earn more than two grades of "C" or a grade below a "C" during their academic program are placed on probation. Probation will be lifted the following semester if the student achieves a cumulative GPA of 3.00 or above with no more than two grades of "C." If this condition is not met, the student will remain on probation. While on probation, a student is limited to registering for

one course per session or two per semester. Any student failing to maintain a cumulative GPA of 3.00 for two consecutive semesters will be dismissed.

3. If a student receives a third “C” or below, then s/he must repeat a course, in which s/he earned the deficient grade, when the course is next offered. Any student who fails to maintain a cumulative GPA of 3.00 for two consecutive semesters will not be eligible for VA benefits.
4. A student who has been dismissed for academic reasons may not petition the Dean for readmission until one year has elapsed from the date of the dismissal notification. Upon readmission, the student will be considered on academic probation and must remove one of the earned deficient grades by repeating a course in which a grade of “C” or below was earned.
5. A course may only be repeated once and a student may only repeat three courses. If the student fails to achieve a grade of “B” or better in that course, the student is considered to have failed to complete the conditions for reinstatement or removal of probationary status and will be permanently dismissed from the program.

#### **REQUIREMENTS FOR THE BACCALAUREATE PROGRAMS**

The following are the requirements for bachelor's degree completion:

- Satisfactory completion of a minimum of 120 credits with an average of 2.00 (C).
- Of the total, a minimum of 48 credits must be in courses numbered above 299.
- The last 30 credits and the majority of the coursework in the major must be completed at Barry University.
- Grades of at least “C” must be earned in coursework for the major, prerequisites, and the specialization.
- All students who are seeking a degree through the School must complete ENG 302, Academic Writing and Research, during the first or second semester of enrollment. In order to satisfactorily complete ENG 302, a grade of C or above must be earned. If a grade below C is earned, the course must be repeated within the next two semesters, and the student must achieve a grade of C or above. Students will not be allowed to continue their academic program until ENG 302 has been successfully completed. Students who do not successfully complete the course after two attempts will be suspended. Students may be exempt from the requirement by demonstrating proficiency on an English examination administered by the School. All new students who wish to test out of ENG 302 must sit for the test-out exam in their first semester (session A or B) of enrollment. However, the written communication requirements must be fulfilled.
- The computer proficiency requirement must be met.

#### **GRADUATION APPLICATION FOR DEGREE COMPLETION**

It is the student's responsibility to ensure that graduation requirements are met prior to applying for graduation. At least nine weeks prior to the anticipated degree completion students must apply for graduation. Graduation application deadlines appear in the academic calendar. Graduation may be postponed for anyone submitting a graduation application after the deadline and a \$150 non-refundable graduation application fee will apply. The Application for Graduation is available thru WebAdvisor at <https://webadvisor.barry.edu> under Academic Planning. Your academic advisor will need to approve your application for graduation, once approved you can apply via WebAdvisor.

A student who receives an incomplete grade “I” during the semester of graduation will not qualify for graduation and must re-apply for the next graduation date. Students who remain in the Bachelor of Science in Legal Studies degree or Bachelor of Liberal Studies degree with a specialization in Legal Studies, and students seeking a Bachelor of Science in Administration degree with a Legal Studies specialization must complete all five sections of the Certified Legal Assistant (CLA) examination prior to graduation. Diplomas are available about eight weeks after the degree completion date.

#### **GRADUATING WITH HONORS**

In order to qualify for graduation with distinction, a student must have taken a minimum of 56 credit hours at Barry carrying letter grades of A, B, C, or D, and must have maintained a grade point average of 3.50 or above. Portfolio credits cannot be applied to the 56 credit hours required to graduate with honors. If a student returns for a second degree, he/she must complete all requirements for graduating with honors, not to include credits used for previous degree. Only courses taken at Barry are computed in determining honors. The GPA will be rounded using the third decimal place. For distinction, CUM LAUDE, a grade point average of 3.50 is required; for MAGNA CUM LAUDE, 3.70; and for SUMMA CUM LAUDE, 3.90.

#### **FORFEITURE OF GRADUATION**

Completion of a Graduation Application does not guarantee graduation unless all requirements are fulfilled. A student who receives an incomplete grade (I) during the semester of anticipated degree completion will not qualify for graduation. A student then will be required to re-apply for the next appropriate degree completion date. A \$150 non-refundable graduation application fee will apply each time a student applies for graduation.

#### **COMMENCEMENT CEREMONY**

Commencement ceremonies are held during the months of May and December. To be eligible for participation, the student must have completed all degree requirements by the graduation ceremony. This includes completing the Graduation Application before the published deadline. Students with outstanding financial obligations to the university in excess of \$1,000 will not be provided with a cap and gown and will not be allowed to participate in the commencement ceremonies. For additional information on Commencement activities, please visit the website at <http://www.barry.edu/commencement/>
