Barry University

Join Handshake, the recruiting and career services platform that lets you connect with Barry University students and alumni.

barry.joinhandshake.com/register

1. Create an account.

Visit barry.joinhandshake.com/register. Sign up for an account and select the type of account you'd like to create: Employer.

2. Fill in your information.

Once you select “Employer,” input the requested information. Be sure to use your official company email address. Your email address and password will serve as your log-in credentials.

3. Activate your account.

The system will ask if you are a Third Party Recruiter. Select either “Yes, I am” or “No, I am not” and continue. You will receive a confirmation email to activate your account.

4. Create company profile.

If you are creating a new company profile, it will ask for a few details. Please fill this out completely, including specific contact name and email address, company address, phone number,

and website. Once this information is filled out, you can choose the “Create Company Profile” box. Create a company profile and choose “Create New Employer.”

5. Post jobs & register for events.

After successfully creating your account, or linking your email address within an existing company, you will now have the option to post a job, request on-campus interviews, and register for upcoming events.

6. Email confirmation.

Once your account has been approved, you will receive an email confirming your connection to the university.

7. Navigate options.

Use the left-hand toolbar to navigate the options at Barry University, such as Events, Interviews, Fairs, and Job Postings.
