The goal of the Comprehensive Board Review seminar is to educate and prepare podiatric physicians to take certification examinations in podiatric surgery, orthopedics, and primary podiatric medicine. Relevant materials will be presented in an abridged manner due to the extensive material covered on the certification examination. Notes will be supplied in respective areas and insight will be given on how to prepare for the oral examination. Subject material being covered is listed in the program, and physicians should be able to identify disease processes, appropriate conservative treatment, surgical criteria, and appropriate therapeutic procedures.

Barry University School of Podiatric Medicine 2010 Comprehensive Board Review Course will be at

Loews Portofino Bay Hotel at Universal Orlando®
(located at Universal Orlando® Resort)
