A unique approach to continuing medical education is used, as the private practitioner is able to interact with other practitioners, current residents, and faculty members of the Barry University School of Podiatric Medicine. The presentations will be interesting as well as educational.

Barry University School of Podiatric Medicine is approved by the Council on Podiatric Medical Education to offer recognized continuing podiatric medical education programs. The 2008 mini-seminar series including Florida Required License Renewal Course offers 17 Continuing Education Contact hours for Florida licensed podiatrists.

You will receive by mail a Certificate of Attendance as well as a transcript from Barry University for each seminar you attend approximately two weeks following the event.

Program Objectives
