

# MA & MFA IN PHOTOGRAPHY APPLICATION

## Portfolio

Your MA/MFA application portfolio should consist of 20 slides or a CD of 20 original photographs. Your portfolio should showcase your best work, creatively and technically.

**Digital slide portfolio technical information:**

Your files should have a resolution of 200 ppi, the longest side should be 6” and the short side will be determined by the image’s proportion.

You need to turn in 20 digital images. Save digital files in JPEG format. Please “name” your images as follows: Yourlastname\_Firstname\_01.jpg; Yourlastname\_Firstname\_02.jpg etc. Do not exceed 16 characters in the name; if you have a long first or last name abbreviate. Do not use symbols (!@#\$%^&\*()) in the name of your file. Make sure you turn in the portfolio on a CD readable on Mac and PC platforms.
