

2019-2020 INDEPENDENT VERIFICATION WORKSHEET

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal regulations state that before awarding federal student aid, we may ask you to confirm the information you and your spouse (if married) reported on your FAFSA. To verify that you provided the correct information, our financial aid administrator will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit them to our Financial Aid Office. If we need clarification on the documents submitted, we may ask you for additional information. If you have questions about verification, contact the Financial Aid Office.

What should you do now?

1. Completely fill out and sign this verification worksheet, attach all required documentation and submit it to our Financial Aid Office as soon as possible, so your financial aid will not be delayed or possibly cancelled.
2. Submit a signed copy of the student and spouse's (if married) **2017 IRS Income Tax Return** or **2017 IRS Tax Return Transcript** that can be obtained by going online to <https://www.irs.gov/individuals/get-transcript>
