

College of Nursing and Health Sciences Division of Nursing Graduate Programs Supplemental Application Information

Master of Nursing Applicants Only

Please submit your answers to the following questions with your application for graduate admission.

1. What are your expectations of a graduate program in nursing?
2. Do you believe nurses in leadership positions should have at least a master's degree? Why?
3. Why did you select a Master of Science degree in nursing rather than a master's degree in business administration or a master's degree in education?
4. Briefly describe how you think graduate education will affect your present professional nursing performance.
5. In what position do you anticipate being employed one to three years after completing this program?

Nursing PhD Applicants Only

Please submit with your application a career narrative statement to include:

1. The development of your interest in nursing as a career.
2. The factors that motivated you to pursue doctoral study.
3. The reasons that you decided to apply for doctoral study at this time, and the way in which your selected area of research may advance your career.

Doctor of Nursing Practice Applicants Only

With your application, please submit the following essays:

1. Provide a statement of your goals and expectations for entering the DNP program and how it will better serve the nursing profession and the community that you serve.
2. Discuss what type of clinical project you hope to undertake in the DNP program.
