

AFTER HOURS DOCTOR ACCESS

We understand life happens at all hours of the day and night and HealthiestYou has you covered. We've partnered with Barry University to provide you with round-the-clock access to board-certified physicians via telephone and video when the Student Health Center is closed or when you're off campus and unable to get in to the Student Health Center.

You'll find the HealthiestYou phone number below, and located on the front of your UHCSR health insurance ID card. Be sure to put the number in your phone *before* you need it.

HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse.
