Graduates represent a total count of individuals by school with valid Social Security numbers.

All employment outcomes contained in this report are based on the October - December quarter of 2014.

Full quarter is defined as earning at least minimum wage for 13 weeks (\$4,124).

Full quarter average wages are displayed when 10 or more graduates are employed full quarter.

All continuing education outcomes are based on enrollment data for the fall semester of 2014 and preliminary winter/spring semester of 2015.

Students may be in multiple programs; therefore, the details may exceed the total unduplicated count.
