

## Credit by Examination Policies

### ADVANCED PLACEMENT (AP)

The Advanced Placement Program, a program sponsored by the College Entrance Examination Board, provides for the establishment of college-level courses in secondary schools. Students who take such a course or courses may then take special examinations prepared by the College Entrance Examinations Board. Credit for Advanced Placement examinations is based on the one-year AP experience. Credit is given only in cases of scores of 3 or better. Credit varies from 3 to 8 semester hours, depending on equivalencies available at Barry University. In no case will credit be given for more than one year's work. Advanced Placement credit cannot be duplicated either in regular courses or through the College Level Examination Program. A maximum of 30 credits will be accepted through the Advanced Placement Program. Credits are accepted on a credit/no credit basis. Barry University will accept a total of 30 credits from all testing programs. All credits awarded as electives will be considered lower level. Barry University will accept AP credit as outlined below:
