

Nova Southeastern University Dr. Kiran C. Patel College of Osteopathic Medicine

EMERGENCY MEDICINE **CERTIFICATE PROGRAM FOR PHYSICIAN ASSISTANTS**

- Courses designed and taught by a practicing emergency medicine physician assistant.
- Complete the primarily online program in one year by taking two classes per semester.
- One full weekend of on-site procedural skills training is required.
- In-depth curriculum covers all emergency medicine topics.
- Ideal for practicing physician assistants who seek additional education in emergency medicine.
- Strengthen your resume and improve your options for greater success in the emergency medicine field.
