Physician Assistant (PA) – Pediatrics – New Grads Welcome (Tampa, FL)

TOP SALARY – TOP BENEFITS – HIRING IMMEDIATELY

This is a fantastic opportunity for a motivated PA to join a dynamic pediatric practice in Tampa, Florida.

This practitioner will become a member of a cohesive multi-disciplinary team who cares for infants through adolescents in the pediatric intensive care units and on the inpatients units in a stimulating, teaching hospital environment.

Florida Pediatric Associates is a progressive and growing multi-specialty group practice consisting of over 130 providers in Jacksonville, Orlando, St. Petersburg, Brandon and Tampa. The group supports clinical research activities, active participation in regional, national and international organizations, community service and medical missions.

Florida Pediatric Associates offers highly competitive compensation and a generous benefit packet and we see you as a member of our Team.
