| Graduating students will demonstrate achievement of the educational objectives and skills required for generalist practice with and on behalf of diverse and multicultural clients. | **Student Learning Benchmark:** 100% of graduating students will receive an average rating of 4.0 on the Field Evaluation Assessment as evaluated by Field Educators. 100% of graduating students received an average rating of 4.0 on the Field Evaluation Assessment as evaluated by Field Educators. Students showed improvement but continued to demonstrated a low mean on the following two items:  
  - **OA9** – Evaluate research studies, apply research findings to practice, and evaluate their own practice interventions. 50.0% received a rating of 4.0 or higher  
  - **OA12** – Function within the structure of organizations and social service delivery systems and seek necessary organizational change. 63.7% of graduating student received a rating of 4.0 or higher. |

| What did you do to improve it? | Beginning fall 2012 specific assignments in SW 476 and SW 472 were refined to require students address assignments linked to OA9 (98% of all enrolled student will receive a rating of 3.0 as evaluated by the assignment rubric) and OA12 (98% of all enrolled student will receive a rating of 3.0 as evaluated by the assignment rubric) in the context of their field internship. |

| How did you know it needed improving? What evidence did you use in your decision, i.e., assessment measures? | Results of per item analysis of the results of fall semester field evaluations indicated that while the mean on OA9 and OA12 had increased overall; the average for the collective of graduating students still remained below the desired benchmark |
