- All paperwork must be submitted on time; due dates are available within this document and in the Student Activities Center.
- All members are responsible for ensuring they check-in at each of the events. Each event may use a different check-in system.
- Organizations may only progress one tier from semester to semester.
  Organizations that shift back and forth between tiers for more than two consecutive semesters will result in an organization review.
- Fraternities and Sororities will still follow the Standards of Excellence in addition to this tier system. All questions should be directed to the Advisor for Greek Life & Student Organizations in the Student Activities Center.
- Organizations that are placed on probation may not be eligible for all benefits in respective tier as outlined in their terms of probation.
